By The People, for The People.

- *Crown Jurisdiction* -

Rule of Law: All Are Equal Before The Law.

Notice to Employers

Maxim of Law: Free will and informed consent are essential at all times.

Or it is called slavery. 25 years jail.

Maxim of Law: The claimant must prove their claim:

The government says:

*'If you want your freedoms back, **the only way** out of this; is to be vaccinated'.*

That would be; by a privately owned, foreign owned, profit generating, experimental vaccine, containing graphene oxide, nano particles and other foreign digital transmission components for a social credit trans-humanism future.

Refer to under the microscope education at the end of this paper.

And We The People say:

'Really! Scientifically Prove this is the only way and provide 100% disclosure across mainstream media of the contents of the vaccines!'

Until then all claims, timelines, and alleged fines are Null and Void.

To the Beautiful People of Australia, and the world, this proof will never be forthcoming. But let them try, and let them be **stopped**, by their own inability to prove the safety and efficacy of this privately owned, depopulation tool, unleashed upon the Earth's good humanity, via a fictional legal construct.

Australia has changed jurisdiction. 23.9.2021.

From legal, to Lawful.

Why? Because we can.

Why? Because we have had a tyrannical, global, private corporation in charge.

Familiarise yourself with that in these following pages and associated links.

The Meek Shall Inherit The Earth. Matthew 5:5

Fortunately for humanity.....

We have this thing called 'Law'.

Law is part of the greater Source field.

The same Source field that invites the Sun to rise and set,

The same Source field that invites the seasons to come and go,

The same Source field that invites the breathe into your body, to inhale and exhale,
without you ever having to think about it.

That Source field !

Rule of Law : All Are Equal Before The Law

Law is inherent in the very fabric of existence.

Law does not belong to some and not others.

Law does not require it be granted to you, to be able to use it.

Law exists in this now moment, for your use, evidenced by the fact that you stand upon the soil of Our Beloved Mother Earth.

Law is **not** dependent of the *man made 'legalese'* made in Parliament.

Law holds accountability to such legalese: to meet the standards of Law.

Law has a **Rule**.

By which all matters are **measured**:

The Rule of Law is 'All Are Created Equal. All Are Equal Before The Law'.

So..... we have to thank the Australian Government when it creates such an outstanding failure in that Rule of Law, by creating a **two tiered society**; of vaxxed and unvaxxed, each with different 'privileges'. We call this **slavery**.

Such an extraordinary failure allows us; **We The People**, to immediately dismiss, and remove, such corruption from the landscape. **Urgently and immediately**. And that is what has been done.

23.9.2021. We invite the Consciousness of the good People of Australia, and indeed the world, to catch up with what has been done to liberate humanity from this private, profiteering agenda. And together we will navigate the logistics to dismantle, remove, and/or overhaul our systems and our resources to meet standards of **Rule of Law: All Are Equal Before the Law**.

In this corrupted system, where everyone is **not** equal, according to these decision makers, who also happen to be **public servants, paid by the public purse**, and who are in multiple contracts with big private corporations, including the big pharma manufacturers, the covid19 pandemic is easily

evidenced as a privately owned **business model**; designed to deliver profits and control to the few, at the expense of the greater wellbeing of humanity. This is a tired business model repeating itself throughout history.

YOU are the unwitting customer of this business model.

Did you witness the contracts and have evidence you agreed to them ? No !!

Well you cannot be a party to this transaction then.

Thank you for the offer. The offer is refused.

If no free will and informed consent is acquired, but coercion and blackmail is used, we call this slavery. 25 years jail.

There has, and will continue to be, very real collateral damage to humanity, despite the marketing pitch being all about '**keeping you safe**'; the ultimate **trickster** ! A mind game. We are yet to witness the longer term repercussions of this experimental bioweapon/vaccination in the greater body temple of humanity. Already we have seen the horrendous collateral damage of having graphene oxide injected into the human family.

Thus, in this moment, there is no greater **call for humanity,**
than to execute and restore **Rule of Law: All Are Equal Before The Law.**

This includes removing those who trespass upon the freedoms of the People, knowing very clearly that this is **treason, fraud and slavery**, and hoping they would get away with it. But they haven't. And they won't.

A brief history:

.....for those who do not know it, are destined to repeat it

Structurally, where is humanity?

Humanity has been inside a privately owned Guardianship. That includes YOU !

Without your knowledge, or free will, or informed consent.

Without these; as evidence of choice, in a landscape of 100% transparency, we can also call this Guardianship: **slavery.**

We are in the Exodus.

We are moving from legal to lawful.

From Guardianship to Humanitarianism.

From the Age of Pisces, to the Age of Aquarius.

Where humanity governs itself.

Understand what is unfolding, and follow the stepping stones.

As of Papal Bull: Unum Sanctum 1302: a reaction to the advancement of the Magna Carta 1215, and establishing a stronger voice in 1297; **Planet Earth and all her resources** were deemed to be inside this first global private master trust, called Unum Sanctum, owned by the Vatican. Yes, a corrupted version of the Catholic Church. *No disrespect to good Catholics choosing this pathway of faith to commune with their Creator.*

Humanity also is in the trust, under Guardianship. Deemed to be incompetent and salvageable as a working energy tool for the profits of the few. The current CEO of **Australia's Board of the Guardians Future Fund, valued at \$226B**, is Peter Costello. This fund has \$2.5B in Big Pharma investments. Costello is also Chairperson of Channel 9. This is a **gross conflict of interest** facilitating a **monopoly voice**, influence, and distribution line on health, that is: the privately owned

and profiteering vaccine industry. It needs customers and **YOU** are it. This is despite monopolies being **strictly forbidden** in all healthy marketplaces. This is what a monopoly can produce:

BioNTech/Pfizer: that would be: BioNTech : bio and technology : your biology mixed with some technology, specifically Graphene Oxide: strongly substantiated by vast research, is likely going to kill you, make you infertile, or permanently injure you; issued shares at \$13.82 USD October 11, 2019. Just 6 months before the 'pandemic'. Today, 23 months later, September 21, 2021, they are valued at \$339.01 USD.

That's an increase of 2353.04%.

Minister for Health and Aged Care, Mr Hunt tells us '280 million doses of Covid19 vaccines have now been secured by the Australian Government to support the Covid19 vaccine roll-out.'

Orders # 38 Inaugural Australian Grand Jury 23.9.2021.

Thus, it is not the free market dynamics of supply and demand that have resulted in these profits, it is monopolisation of the health industry, coercion, blackmail, incarceration of humanity, and the theft of rights and freedoms to dominate a marketplace that have resulted in these returns on investment, for those involved in this private business model.

Unfortunately where Boardrooms had guidelines to speak up about such conflict of interests, no one took accountability of this on behalf of humanity. So **We The People**, are doing that now. Orders # 31-37 Inaugural Australian Grand Jury 23.9.2021.

Humanity, within the master trust of Unum Sanctum is absolutely deemed to be human cattle, largely governed by the Poor Laws that had their origins in 1535 with Henry VIII, and have advanced throughout the centuries to the current global mess we have today. Facilitated by the birth certificate: a contract with **0% transparency**. And you are listed on banking documents as cattle, and tricked into

promissory notes called mortgages, all with 0% transparency, but 100% trickery.

You are owned by a farmer, as cattle. The human herd. Under constant management for '**herd immunity**'. Administered by a global, corporate Big Pharma. The farmer has simply decided it is time to vaccinate it's cattle with this new experimental bioweapon/vaccination. Because it's good for profits and ongoing control of the herd. It deems a good culling of the human herd is also in order. The Georgia Guide Stones gave warning of this impending time in 1981. Too many humans are a danger to the control mechanism. It does not care about the suffering, injury and death, for it has 8 billion cattle and if a percentage die, that merely helps it perfect it's recipe for the experimental vaccination. Sounds callous, but for those who have done their research, this architecture is not news. This is a highly documented depopulation program. Australia is scheduled to have 10 000 000 less people by 2025.

Where are we in the big picture?

If you are used to having your head in your phone, with a goldfish attention span, grasping the quantum landscape will require you to stretch your Consciousness. Which is exactly what this is all about. See bigger and further than being distracting in small things designed to distract you. We are at the end of a 2000 year Galactic Age, the Age of Pisces, the Age of Guardianship. Coupled with **3 trimesters** of the Pluto Return, natal to the 1297 solidification of the 1215 Magna Carta. And in the final 3 years of Pluto (plutonic) transiting through Capricorn, blowing up the current, corrupted power structure. It's transit began with the global financial crisis of 2008, indicating a poorly constructed financial equation, low in integrity, also known as slavery. We are still transitioning through the fall out of that explosion, although most would not know that. Dismantling and replacing a global financial structure that began, in it's current manifestation, in 1913, and leaches into all elements of global life, does not happen over night.

3 trimesters of Pluto returns: **We as a humanity, are literally birthing the New Age.** That being the

Age of Aquarius. Where humanity **governs itself**, and the Guardianship of the Piscean Age is deemed obsolete: an inferior technology, grossly inadequate to move forward with humanity, as we advance into this fresh dawning.

What do we need to bring this about?

A shift of Consciousness that engages the use of Rule of Law: All Are Equal Before The Law, to self govern.

Grant ourselves permission to know, and understand, that this is unfolding.

Let go, and flow with it.

Hold the public servants accountable for being public servants, not rulers.

This is 'The Great Awakening'.

Rule of Law: All Are Equal Before The Law.

Notice to Employers

1. Let it be known, loud and clear, mandatory vaccination has no basis in Law/Lore.
2. That would be: **Rule of Law: All Are Equal Before The LAW**, as **evidenced** by the creation of a two tiered society; that being the vaccinated, with one set of privileges; and the unvaccinated, with a restrained set of lifestyle options. This is a gross failure of **Rule of Law: All Are Equal Before The LAW**, and is therefore **100% NULL and VOID**.
Deemed to be **an absurdity in Law**, and a slavery agenda.

3. Whereas in past timelines; this regime might have been successful at implementing this tired old game of 'divide and conquer' to maintain control and harvesting of the masses for the benefit of the few, we know, having come to the end of a 2000 year Age: that of Guardianship, and completing 3 trimesters of the 248 year Pluto cycle, that we are clearly birthing the Age of Aquarius. The Age of humanitarianism, where humanity manages itself with an acute awareness of it's place in the greater eco system, of which it is a part .
4. Mandatory vaccination is **a policy of a private legal system** , which is part of a privately owned global corporation and is **100% fraud and slavery** upon the inherent rights, and the safety and freedoms, of the People.
5. It is fake.
6. ***It is not Law in any way and should not be mistaken for Law.***
7. It is legal, a subset of Law, and is dependent on allegedly owning you, and tricking you. Did it ask for your consent? No! **Then it is not law.**
8. It is dependent upon an **illusion of authority.**
9. It is an old and tired, highly and well documented, system of slavery. It is done.
10. **No jurisdiction exists in Law** for any entity to profess, nor perpetrate, 'mandatory vaccination policy' upon the **free will and informed consent** of the People. Nor to access the body temple in any way whatsoever, without the express written and **wet ink signing**, as evidence of a valid contract, by the individual, that they agree to participate in the injecting of a foreign owned substance, that does contain graphene oxide and other nanoparticles, into their body temple. Failure to acquire, and have

on record, this informed consent; is **slavery**. Full accountability for slavery will be brought before the Jury of 12 peers, under the jurisdiction of Rule of Law: All Are Equal Before the Law.

11. At the time of ordering 280 000 000 doses of an experimental bioweapon/vaccination = 5+ per individual, the contracts between the **Australian Government: public servants**, and the private corporation bioweapon/vaccine manufacturers, **did fail to acquire free will and informed consent** from The People to participate in such an experiment.

Refer to Order #38 of the Inaugural Australian Grand Jury 2021.

Thus assuming the right to overrule **free will and informed consent**. Thus assuming the bodies of **We The People**; were the property of the public servants, and the public servants were free to decide what the bodies would be subjected to. This is **slavery**.

Thus all contracts between government and Big Pharma covid19 vaccine manufacturers are **NULL and VOID**. Deemed to be a gross failure of the critical elements of a contract, and are thus **an absurdity in Law**. Orders # 41 and 64, Inaugural Australian Grand Jury 23.9.2021.

12. Further, alleging the vaccine is free is blatant **fraud**. Vaccines are paid for by the Australian People, as a draw down from the trust funds created via the monetisation of the birth certificate, a calibration of your value as a debt slave to a private construct. Again, we call this **slavery**.

The government has no money of it's own; but is merely an administrator of the People's resources. Thus the People pay for the vaccine, and have the vaccine forced upon them: an experimental bioweapon/vaccination, by the public servants, who are paid for by the public purse.

This is **an absurdity in Law**: a complete failure in Law. This is an act of tyranny and slavery. All

matters connected to this subject are **NULL and VOID**.

13. Let it be known loud and clear, all those who perpetuate this subject and are perpetrators of such actions, on behalf of their corporations, will be held **100% personally liable and accountable**, for their Harm and Injury, in the theft of the People's inherent rights and freedoms, also known as **slavery**. Such violations can be reported here: <https://executiveorders.life/form-a-injured-party/>
And here: <https://executiveorders.life/australia-trials/>
14. In Law, **Corporate Immunity does not exist** and cannot protect you from what you might do in exchange for your pay check. Employees are to double check their chain of command within their corporation, and ensure they are not expecting you to carry out the orders of a private legal corporation called the Australian Government, violating the free will and informed consent of The People. Because you will be held **liable and accountable**. Use this Notice to hand to your chain of command to **STOP** them **using you** to enforce an experimental vaccination on fellow work colleagues.
Orders # 68, Inaugural Australian Grand Jury 23.9.2021.
15. **We The People**, thank the Australian Government, already **dismissed for illegitimate standing**, in the Inaugural Australian Grand Jury 23.9.2021, and further substantiated in the Second Australian Grand Jury 21.10.2021 for your **offer** to vaccinate this body temple with a privately owned, foreign owned, graphene oxide, and other foreign matter, suite of products, alleging to protect against the largely fictional pandemic. Your **mandatory** command to 'get vaccinated' is recognised as slavery, thus **your offer is rejected** as a gross violation of inherent rights. The contract is **NULL and VOID**, failing all standards of essential terms for a valid contract.
16. Further: **Maxim of Law, the onus is upon the claimant to prove their claim**. Should the founders of this business model, wish to continue with these dialogues, please provide scientific proof that the

17. Further, please provide proof, that against all previously known declarations, including the Nuremberg Trials, that this, now defunct, government received individual wet ink authority from We The People, to dictate what enters this body. Without such wet ink authority, such action is known as **slavery**. To incur job loss in pursuit of a vaccination status, is known as **extortion and blackmail**. 100% personal liability and accountability will be tallied for perpetrators of these crimes before Rule of Law: All Are Equal Before the Law. Corporate Immunity is a 'legal fiction' of a privately owned legal system and does not exist in Law.
Maxim of Law: the agent/employee is equally accountable as the owner.
18. **Be advised legal is not Law.** Legal is a subset of Law and does violate Law to exist in the first place. No job offer contract could include a clause that claims jurisdiction over the body by the employer, at any time. Such a clause would be **an absurdity in Law** and render the contract **Null and Void**, from the beginning.
19. **As the employer,** under **Maxim of Law: the claimant must prove their claim**, please provide all appropriate evidences that you have the authority, from myself, to enforce entry to this body temple with a privately owned product range, based on the alleged word of the Australian Government that it is 'safe' and the 'only remedy' for the largely fictional pandemic. This is not Law. It is private policy of a private corporation.

This is the private policy and the private Orders of a private, foreign owned global corporation, masquerading in our landscape as a Constitutional Australian Government.

Thus wasting the valuable time of the good People of Australia, and expecting to use the valuable resource of the good People of Australia to pay public servants to tirelessly debate matters that were established **centuries ago**, in the now defunct Parliament.
